

Support in other areas:

Wise Help offers other services in The Recruitment Support Area. Among the services we offer are the following:

- Payment: To confirm that the client pays for the services provided for by the employee. Good payment and good contract have a variety of advantages. To ensure good payment, there must be some sort of legal agreement between the employee and the employer, and this is achieved through signing legally binding documents and contracts.
- Creation of legally binding contracts for short projects: Both assignment and long-term project contracts are offered to both the client and the employee under Wise Help to guarantee no one is under paid and that the extra costs such as transport and health insurance among other bonuses are covered.
- Relocation: At times, the job requires employees to move from one location to another and Wise Help is here to help with the assistance of the employee relocation package to help new and current employees while they must be on site. This is majorly adopted by bigger companies that must extend their geographical locations. Wise help assists companies to look for great and talented candidates in different European countries such as Germany, Spain, France, Netherlands.
- Project coordination: Project coordinators are vital members of the project team, assisting project managers and providing support to team members. Wise Help guarantee that everyone is fulfilling their obligations and working efficiently toward the project's objectives. Wise Help ensures project coordinating to improve communicating areas of importance between the worker and the employer, it also increases the productivity and the quality of the project as there is always immediate and constant feedback on what has been done so far and how it can be improved as well as it ensures that the project scope and requirements are met and maintained to avoid misunderstandings.
